YATTON INFANTS SCHOOL VISION

Mission Statement

To be an "Outstanding" School, that's always improving, where all children achieve their academic potential & develop their personal and social skills in a safe, supportive, happy, and nurturing environment. Where children make friends and develop the confidence to believe in themselves & their own ability to "make a difference".

Aims

The Staff & Governors of Yatton Infants School are firmly committed to providing a safe and supportive environment where:

- Children seek learning opportunities in the wider environment
- Education does not stay in school, it is ongoing and life long
- Prepare children for an ever changing world
- Teachers have a passion for teaching and find inspiration in the children
- Children love to come to School.
- Children are happy, considerate, supportive of others, caring and respectful.
- Children are valued and develop the confidence to believe in themselves & their own ability to "make a difference"
- Children make friendships that can be strong and lasting.
- Children achieve their academic potential through a stimulating, creative, fun and imaginative indoor and outdoor curriculum, which enriches and challenges every child.
- All children's achievements are recognised .Not only by National measures & Ofsted, but also the staff, parents, carers and the children themselves to foster and raise self-esteem and a sense of pride .
- The School develops and strengthens its partnerships with the local community, parents, Yatton Junior School, Cluster Schools – All working together with a shared vision towards common goals.
- Children can be children. Children can and should play – indoors and outside.
- Every member of staff feels a valued member of a strong and supportive team
- Staff thoroughly enjoy their jobs
