## Reception Home Learning Overview w/c 01.02.2

Hello Reception, this week is special; it is Children's Mental Health Week. This means that we are going to be doing some fun activities to help us keep our minds happy and healthy. Each day we will think about a different way to do this and there will be activities and challenges on Tapestry. It's going to be a lot of fun!

Some of the lessons below require printed resources. Resource packs have been put together and can be delivered to your house. If you need a resource pack delivering, please can you phone the school office to let them know.
