On Saturday we went to the zoo and saw lots of animals. There were zebras, lions, elephants, horses, rabbits and monkeys. I wasnt allowed to feed the animals but I didnt mind. My brothers favourite animal was the biggest monkey, its tail was long and fluffy. I liked the lion best. Its claws were sharp, its really scary! My mums favourite was the rabbits, she thought they were cute but they werent, they were boring. In one weeks time Dads taking me to the circus where I will see jugglers and acrobats. I cant wait!

**Super star* Can you explain how you know when its needs to be it's and when its just its? 😊*
