adjectives	

Ever since Mr Rivers told me that I'd got the lead part in our school play, Robin Hood: *Superstar!*, I'd dreamed about opening night. Whenever I was stuck on a tricky maths question or drifting off in assembly, my mind would wander to the moment when I would step out on stage in front of a hundred wide-eyed, gaping-mouthed kids and parents, and belt out my first solo number:

*I'm Robin Hood – superstar!
I steal from the rich to give to the poor.*

But now that the moment had arrived, I had the jitters. This made it very hard to put my costume on.

"Ash?"

I pulled on my green leggings, only to realise that one leg was inside out and twisted round and very uncomfortable.

"Ash..."

I tried to tie my laces, but they ended up looking like balls of spaghetti.

"Ash!"

I tried to balance my feathered cap on my head, but somehow it fell off and rolled under the art trolley.

"Earth to Ash." A grubby hand waved in front of my face. "Are you ready? Everyone's waiting to go on."

That's when I realised that the classroom was empty.
