<u>ONLINE TEAMS LESSON</u> Morning registration and introduction to learning on Teams with your class teacher.	Your maths investigation today is called ‘Linked Chains’ Your teacher will go through the investigation in the 9am Teams meeting. The resources for the lesson can be found in Files. You can find solutions to the investigation here: https://nrich.maths.org/12936/solution		<u>ONLINE TEAMS LESSON</u>	BUG CLUB Your task today is to listen to chapter 7 of beetle boy. Then read a book and complete the quiz on Bug Club. You can also use this time to finish off any English work from the week and make sure you have completed all our assignments.		There are no Teams meetings on a Friday afternoon.	Hinduism Who is Brahman to Hindus? A worksheet to accompany this lesson can be found in Class Materials in your Files on Teams https://classroom.thenational.academy/units/hinduism-0000		‘Feel Fab Feb’ has been created to encourage you to be physically active (essential for well-being), but also for you to spend time doing things you love, as well as potentially trying/learning something new. This is a challenge can be done on your own, or as a family. Please look at the form saved in <u>Class Materials</u> to start ticking off the different challenges, enjoy! There are certificates for the people who complete the most challenges! Why not also get involved in The Great Big Art Exhibition? https://firstsite.uk/ While the doors to our museums and galleries are shut, famous artists will be challenging you to create your own works of art to display in your front windows, gardens or balconies The theme this week set by Antony Gormley is ‘animals’.

Friday 5th February
