After spending a few months studying the creature you should be able to write brief notes about the species’:</p> <ul style="list-style-type: none"> <li>● Appearance</li> <li>● Habitat</li> <li>● Life cycle</li> <li>● Diet</li> <li>● Predators</li> <li>● Behaviour</li> <li>● Unique adaptations</li> </ul> <p>We have saved an example of field notes from the Beetle Collector’s Handbook as well as a template you can use. You can find these documents attached to the assignment. If you would like to create your own version, that is fine. However, it must include all the key categories listed above.</p> <p><b>You should ‘hand in’ your assignment by Friday 5<sup>th</sup> Feb at 8pm.</b></p>	<b>1:00 – 1:30</b> <b>ONLINE TEAMS LESSON</b> <p>Stay behind on this meeting for maths tuition if you have any questions about the maths work this morning</p>	<b>1:30 – 2:30</b> <p>Geography – There is no Oak academy video today.</p> <p>Please look at the assignment saved in Teams for today’s lesson.</p> <p>Countries of Europe Challenge.</p>	<b>2:45 – 3:45</b> <p><b>‘Feel Fab Feb’</b> has been created to encourage you to be physically active (essential for well-being), but also for you to spend time doing things you love, as well as potentially trying/learning something new. This is a challenge can be done on your own, or as a family.</p> <p>Please look at the form saved in <b>Class Materials</b> to start ticking off the different challenges, enjoy!</p> <p>There are certificates for the people who complete the most challenges!</p> <p>Why not also get involved in The Great Big Art Exhibition?  <a href="https://firstsite.uk/">https://firstsite.uk/</a></p> <p>While the doors to our museums and galleries are shut, famous artists will be challenging you to create your own works of art to display in your front windows, gardens or balconies The theme this week set by Antony Gormley is ‘animals’.</p>	<b>3:45 – 4:15</b> <b>ONLINE TEAMS MEETING</b>
