ONLINE TEAMS LESSON Morning registration and introduction to learning on Teams with your class teacher.	Complete White Rose maths lesson. Number Sequences Video: https://vimeo.com/500361688 Challenge 1 Qu 1- 3 Challenge 2 Qu 1 - 5 Challenge 3 Qu 1 - 6 Worksheet: https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y5-Spring-Block-2-WO4-Number-sequences-2019.pdf Then mark your work using the answer sheet. https://resources.whiterosemaths.com/wp-content/uploads/2019/12/Y5-Spring-Block-2-ANS4-Number-sequences-2019.pdf	ONLINE TEAMS LESSON	New Species of Beetle Assignment Your task today is watch this amazing video about awesome beetles. https://www.youtube.com/watch?v=LbvUrrSamg8 Incredibly, you have just discovered a previously unknown species of beetle. During today's lesson you will need to carefully draw and label a diagram of your newly discovered species. Don't forget to consider the habitat in which you discovered it and how it has adapted to the environment. You should also name the species. Remember your beetle must be a beetle! So it's body must be made up of three sections, a head, a thorax and an abdomen. It must have mandibles, antennae, elytra and membranous wings. It must also have six legs and a protective exoskeleton. Some important details to consider: Where does your beetle live? How does it move? How will it protect itself from predators? What does your beetle eat? You will need to hand in a carefully labelled diagram of your beetle via the Teams assignment by 8pm on Friday 5th February.	ONLINE TEAMS LESSON Stay behind on this meeting for maths tuition if you have any questions about the maths work this morning	Science Forces Lesson 5 What affects a body's ability to float? Work sheets to go with the lesson can be found in Class Materials. https://classroom.thenational.academy/units/forces-717d	'Feel Fab Feb' has been created to encourage you to be physically active (essential for well-being), but also for you to spend time doing things you love, as well as potentially trying/learning something new. This is a challenge can be done on your own, or as a family. Please look at the form saved in <u>Class Materials</u> to start ticking off the different challenges, enjoy! There are certificates for the people who complete the most challenges! Why not also get involved in The Great Big Art Exhibition? https://firstsite.uk/ While the doors to our museums and galleries are shut, famous artists will be challenging you to create your own works of art to display in your front windows, gardens or balconies The theme this week set by Antony Gormley is 'animals'.	ONLINE TEAMS MEETING

Wednesday 3rd February
