

**CALLING ALL CURRENT
YEAR 1 CHILDREN!**

French for Fun Club!

In September places will become available at the very popular After School club, 'French for Fun!' for **all Year 1 and Year 2 pupils**.

Each week we will look at a different aspect of French life, learn some words, practise talking to each other in French, sing French songs and have the chance to try some French food! French is part of the national curriculum from Year 3 onwards and our club aims to light a spark of interest in the life and language of France as well as building confidence.

When? Wednesdays, home time until 4.20pm

Where? Tawny Owls classroom (collection from outside the school office)

Term dates: The 17th and 24th of September and the 1st, 8th and 15th of October.

Cost: £21 total for all five sessions with a sibling discount available. **Payment due at the first session.**

As it is a popular club it is always great to have one parent helper. If you would like to sign up in advance to help with one or more of these sessions your child may attend those sessions free of charge. Knowledge of French not necessary! Do let me know.

If your child would like to attend, please contact me at the email address below with the following information:

- child's name and class in September 2025
- any food allergies or medical conditions
- consent for me to administer First Aid (I am Paediatric Level 3 qualified)
- your name and contact mobile number
- name of person collecting each week

(In accordance with GDPR these details will remain confidential, will not be used by third parties, and will only be held for the time your child is in the club)

Places are limited and if the club is oversubscribed, we will select names randomly out of a beret on **Tuesday 16th July**.

We really look forward to warmly welcoming your child to the club!

Mary Dunn, BA (Hons) French with Spanish, former Teaching Assistant at Yatton Schools and mum to Sylvie – Yr13 and Julian – Yr10
