# Codingbug

inspiring the next generation of coders & makers

Build. Code. Create.

"My son always looks forward to coming to your club, thank you for making interesting for him"

Term 2 dates (Mondays)

- 10th November
- 17th November
- 24th November
- 1st December

Digital Makers - after school club

Codingbug has been teaching at Yatton Schools since 2012 and continues to inspire new generations of coders and makers.

At the Digital Makers Club (formerly coding club) your child will learn to make, code and create using a combination of digital technologies and computational puzzles. Your child will learn computational thinking, digital and creative skills, and also have fun with the Codingbug robot.

The club is suitable for children in Year 1 & Year 2. Lessons are tailored to different year groups.
