

Codingbug

INSPIRING THE NEXT GENERATION OF CODERS & MAKERS

Digital Makers Club

Yatton Infants School (Years 1 - 2)

Mondays 3:20–4:15pm (in school)

At the Digital Makers Club your child will learn to make, code and create using a variety of digital technologies. They also learn to collaborate with each other in a fun and friendly environment. The lessons are tailored to suit different year groups.

The children use block programming to create games and stories using their favourite characters. They apply computational thinking and problem solving.

Every term the children get challenged with new coding activities, coding puzzles and have fun with the Codingbug robot.

TERM 5 DATES

20 April	11 May
27 April	18 May

Beginners welcome, as well as children who are already familiar with coding.
