

Dear Parent/Carer,

Are you looking for a fun, engaging activity that will help your child grow in confidence? Why not join **Stage Starlings** this September?

Stage Starlings offers weekly drama sessions for students in years 3-6, that are filled with acting games, improvisation, character work, storytelling and performance skills, all while working towards end-of-term performances during show terms, in a supportive and encouraging environment.

Drama offers so much more than learning to act. It helps children to:

- Build confidence and self-esteem.
- Develop communication and public speaking skills.
- Improve teamwork and collaboration.
- Boost creativity and imagination.
- Strengthen problem-solving and resilience.
- Make lasting friendships in an inclusive environment.

Eleanor Cashman leads Stage Starlings across a number of schools in North Somerset. Eleanor is also a Director and Drama Coach for Stagecoach Weston-super-Mare, a Drama Teacher for Lympham Musical Theatre, and has directed numerous productions for local amateur dramatic groups. Her ethos is to provide inclusive, stimulating drama classes where every child feels valued, challenged and encouraged to develop their confidence, creativity and performance skills, regardless of previous experience.

Sessions run every Thursday from 3.25pm until 4.45pm.
