

YOUR RETURN TO YATTON SCHOOL

We are really pleased to be welcoming you back to school. We expect you have lots of questions so read this carefully and then you know what to expect when we see you. 😊

Arriving at school : READY

Every class has their own time to arrive at school. Your adult will bring you to the class and you will go straight in. In the class you will put your things under your table and then wash your hands then go back and sit at your special table.

Right now, I need to stay away from others.

SAFE: We need you to stay at least 2m apart from your friends both inside the building and when playing outside.

RESPECT: That means no hugging or touching but you can wave and smile – that makes people feel happy.

Hand Wash Technique

Important! Washing hands prevents disease and puts everyone else at ease.

SAFE: You will be asked to wash your hands or use hand sanitiser every time you enter the class, before eating, after going to the toilets and after some activities. We are going to be brilliant at washing our hands for 20 seconds!

Your Day: READY

You will spend all your time with your class. In the class you will have to share a table which is your space and you will need to stay in that space. We will give you all the things you need so please don't bring things in from home. Your day will have the same fun lessons you are used to and a morning and lunch break. These breaks are all at different times so we can spread you all out to keep our 2m social distancing and have fun. Teachers will be there to help you and keep you super safe.

RESPECT and SAFE: I need the loo!

Not a problem just ask your teacher! We can only let one person go at a time so we can keep the toilets a safe space. Remember to keep 2m apart

SAFE: All of your things will be in your space and you must not share them with friends.

What can I bring? READY

You will need to bring a water bottle. You need to wear your uniform except on PE day when you will wear your kit with a school jumper. Packed lunch (if you bring it). A fruit snack. On rainy days bring a coat because we will go outside. Scooter or bike. **YOU KNOW OUR RULES TO BE SAFE, READY, RESPECT and you will be brilliant at keeping them.**

At the end of the day leave straight away keeping a 2m distance from your friends. Be Alert, Be safe.
