

YOUR RETURN TO YATTON SCHOOL

We are really pleased to be welcoming you back to school. We expect you have lots of questions so read this carefully and then you know what to expect when we see you. 😊

Arriving at school : READY

Every class has their own time to arrive at school. It is really important that you keep to this time so that there is not a lot of children or adults in the playground. When you arrive you will go straight into your class put your things under your table and wash your hands.

Right now, I need to stay away from others.

SAFE and RESPECT: We need you to stay at least 2m apart from your friends both inside the building and when playing outside.

Hand Wash Technique

Important! Washing hands prevents disease and puts everyone else at ease.

1. Apply liquid soap or sanitiser.

2. Rub hands together palm to palm.

3. Spread soap over the back of each palm.

4. Rub palms again with fingers interlaced.

5. Grip the fingers in each hand and rub sideways.

6. Rub each thumb clasped in opposite hand.

7. Rub fingertips of both hands in opposite palm.

8. Rub each wrist clasped in opposite hand.

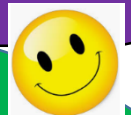

9. Rinse for 10 sec. and dry with a towel.

SAFE: You will be asked to wash your hands or use hand sanitiser every time you enter the class, before eating, after going to the toilets and after some activities. It is going to be very important that you do so properly and follow the instructions.

Your Day READY

You will spend all your time with your class bubble. In the class you will have a table which is your space and you will need to stay in that space unless told to move. We will give you all the things you need so please don't bring things in from home. Your day will have the same lessons you are used to and a morning and lunch break. These breaks are all at different times so we can spread you all out to keep our 2m social distancing. Teachers will try and get outside for lessons at other times as well.

SAFE AND RESPECT: I need the loo!

Not a problem just ask your teacher! We can only let one person go at a time so we can keep the toilets a safe space. Remember to keep 2m apart

We will have lots of fun learning in our class like we always have.

READY: What can I bring?

You will need to bring a WATER BOTTLE. Wear UNIFORM except on days you have PE when you will wear your PE KIT with a school jumper. Packed lunch (if you bring it) and a mid-morning snack – there will not be Tuck Shop. On a day it is rainy, a COAT because we will go outside. Scooter or bike. **YOU KNOW OUR RULES TO BE SAFE, READY, RESPECT** and you will be brilliant at keeping them.

At the end of the day leave straight away keeping a 2m distance from your friends. Be Alert, Be safe.
