This Term's Recommended Read

**This month is Non-Fiction November!**

*Try this great book called Fanatical About Frogs.*

The fifth in Owen Davey's wonderful non-fiction series about animals (previous volumes have celebrated sharks, monkeys, cats and beetles) adds frogs to the ranks of clear, fascinating reads, accompanied by truly amazing graphic illustration.

Each page is an absolute wonder, presented flawlessly, with just the right level of information for primary school children to be truly fascinated and inspired to find out more. Highly recommended.
