

## Coding Club in School (Term 5)

## Yatton Infants (Years 1 - 2)

## Mondays 3:20 - 4:15pm (in school)

At coding club the children learn computational thinking and digital skills. They also learn to collaborate, present and share their work in a fun and friendly environment.

### **Coding in Scratch Junior**

The children use the Scratch Junior programming language to create stories and games. They learn to draw characters and make them come to life with code. They also learn logic and problem solving skills by doing coding puzzles.

Lessons are tailored to suit different skills levels. Beginners welcome and children who are already familiar with ScratchJr. For more information visit: https://codingbug.co.uk/coding-club-at-yatton-infant-school/

Term 5 dates (April - May 2024)

15th, 22nd & 29th April 13th & 20th May
